Commissioner for Patents

The reply filed on 4-4-07 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants' reply to the election of species requirements is non-responsive because one single species must be elected for each of the indicated groups (1.) – (6.); and an indication of claims readable thereon needs to be indicated for each of the 6 elected species. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
